

School Board Candidate Forum

Thursday, August 27
6:30-8:30pm

Mary McLeod Bethune School #45
1445 Clifford Avenue

Call 325-2560 for more info

Will the School Board:

- Cap class sizes so that Rochester City School students have the same individual attention that suburban students have?
- Allow the Superintendent to eliminate door to door bus pickup? We do not want first grade students waiting for buses in the dark, far from home.
- Work to eliminate race, class, gender, and disability as predictors of success?
- Actively recruit teachers of color?
- Require cultural competency and racial justice training for RCSD staff?
